Subject: Standard Benefit Rates for Fiscal 2025-26

The University establishes standard benefit rates that factor in the cost of providing statutory, health, and pension benefits to each employee group. These benefits are paid centrally and the benefit rates are established to recover the cost of providing these benefits to each employee group.

Benefit rates are reviewed on a periodic basis. Changes in benefit rates may result from a variety of factors, such as:

- Any benefit enhancements/modifications brought about through renewed collective agreements
- Changes to the funded status of the pension plan, which impacts the University's required contributions

The attached schedule reflects the new benefit rates that will be in effect on May 1, 2025 for **Funds 100, 200, 300, and 600**. These rates will be updated in the salary planning file and in the budgeting system for Funds 100, 200, and 300. (Please note that benefit rates for Funds 400 and 500 are charged based on actual costs).

Standard benefit rates will remain unchanged compared to Fiscal 2024-25.

Please direct any questions on these rates to the Budgets Inquires Electronic Mailbox (budgets@yorku.ca)
