

Calumet College Club Funding Application 2008-2009

Proposals for Calumet College Council (CCC) club funding are welcome from any organizations that benefit the Calumet student body.

Funding is for the academic semester in which the event is implemented and will be used to reimburse valid receipts from the event. Items eligible for funding include staffing costs, equipment, supplies, communication charges, and other operating expenses. CCC funding is not intended to support the continued operating expenses of existing programs.

CCC funding requests can be made on behalf of a single club for an event, activity, or program that would benefit the Calumet student body, while fulfilling their mission and mandate. Allocations would be to a maximum of \$1,000 per club, per year.

The CCC aims to disburse available funds equally across each of the two academic terms. The deadline is as follows:
