Individual Advising

When on campus, teacher candidates (TCs) can visit the B.Ed. Student Services office to ask questions. Please visit <https://www.yorku.ca/edu/students/undergraduate-programs/undergraduate-student-services-advising/> to book individual advising appointments for anything to do with satisfying your B.Ed. program requirements.

Practicum

Teacher Candidates are expected to be in their host classrooms as scheduled on the program calendar. Teacher Candidates are not permitted to alter the practicum program calendar in any way to facilitate personal commitments. Attendance is mandatory for all practicum placement days and meetings.

TCs should be ready to actively engage with the teaching, learning and/or activity during all practicum days while classes at the university are in session, and during all teaching blocks.

TCs are expected to treat attendance in their practicum as they would if they were an Ontario Certified Teacher. This means reporting any absence from practicum (in writing via professional email) to the Mentor Teacher AND the Practicum Facilitator on the evening before, or prior to, the start of the school day.

All missed practicum days must be made up. Make up days for excused absences (e.g., illness, religious observance, inclement weather etc.) should be scheduled in collaboration with Site Coordinator/Mentor Teacher and/or Practicum Facilitator. Please note that Reading Week has also been designated for Practicum Makeup Days. All practicum days will be carefully tracked to ensure that you have sufficient days for certification by the Ontario College of Teachers.

Practicum Placement Preference Window

Teacher Candidates (TCs) entering Year Two of the Bachelor of Education program were required to enter their selection of zone preference for their school placement by April 14, 2024, to have equal opportunity to be placed in one of their three preferred zones.

Please note that TCs are NOT permitted to select specific schools or to arrange their own placements. All placements are arranged by the Practicum Office with our partner schools/school boards:

- Dufferin-Peel Catholic School Board
- Peel District School Board
- Toronto District School Board
- Toronto Catholic School Board
- York Region District School Board

- York Catholic School Board

Year 2 TCs that requested a school placement for 2023-2024 will see a section assigned on their TC profile until a school placement is confirmed (late August), at which time the school placement information will appear.

To access and view your section and/or placement location, in **early September**, please go to practicum.edu.yorku.ca and use your Passport York credentials to log in, then click on TC Placement Profile to access and view your section and/or placement location.

Criminal Record Check/Vulnerable Sector Screening (VSS)

All Teacher Candidates (TCs) enrolled in a B. Ed program must have a valid VSS for every year in the program. At the start of the program in September, all TCs must have a cleared VSS document with an issued date of no earlier than July 1. TCs need to apply for a new VSS prior to the expiry date of the existing one every year. Processing time should take between 2-4 weeks but can be much longer in cases where fingerprinting may be required. For this reason, TCs should begin the process early to ensure their VSS is never expired. Contact your local Police Services Office to find out how long their processing time is and begin your application accordingly in order to always have a valid document.

Without a clear VSS document, you will not be allowed to participate in practicum.

School boards, practicum schools, community organizations, course directors and practicum facilitators will demand that you show your original VSS document prior to attending your practicum. Always keep your original document with you so that you can produce this document as requested. TCs placed in specific school boards may be asked to forfeit their **original VSS** document. For this reason, you may need to request a second copy at the time of application. Most Police Services will provide a second copy at a nominal charge.

How and Where Do I Obtain a VSS?

TCs must obtain their VSS from the police services office based on where they reside. We have provided the information below for some jurisdictions. If you live in a jurisdiction that does not appear below, please check your local police website, or go to your local police station to request a VSS.

Information about Criminal Background Checks with Vulnerable Sector Screening VSS is available on the Mentoring and Teaching Resource Room (MTRR) <https://mtrr.blog.yorku.ca/criminal-background-checks/>. We encourage all Teacher Candidates (TC's) to review the information carefully.

Grades

GPA Requirements

Teacher candidates are required to achieve a minimum C+ grade in each Education course, including electives. This means that a grade less than a C+ in any education course would leave a teacher candidate ineligible to continue in the program.

- **Concurrent B.Ed.** teacher candidates are required to maintain a minimum cumulative C+ average (5.0 gpa) in their undergraduate program to continue in the B.Ed. program. Those pursuing the Junior/Intermediate or Intermediate-Senior division are expected to achieve a minimum grade of C+ in each course that is required to fulfill the requirements. Failure to do so may result in a suspension or involuntary withdrawal from the program or other appropriate recommendation at the discretion of the Faculty Advisor and the Associate Dean (Academic Programs).

All courses you are enrolled in will result in a grade submission at the completion of the course. **Be sure that you attend the section of the course that you enrolled in to avoid receiving an F grade.** Do not attend a course section that you are not enrolled in, as you will not appear on that class list and ultimately will not receive a grade for that class. Please verify you are attending the correct class and section by checking the Registration and Enrolment Module (REM).

Pass/Fail Grades

For Practicum Seminar courses, teacher candidates are graded on a pass/fail basis for their combined performance in the seminar classes and practicum placements. Undergraduate courses that are awarded pass/fail grades can be counted towards your teaching subject, as long as the courses appear on the list in the undergraduate calendar for the teaching subject, or with the approval of the teaching subject advisor.

Grades Appeals

A teacher candidate may request a reappraisal of a grade by making a formal request to the Associate Dean, Pre-Service **within fourteen days of the release of the final grade report.** The request must be in writing and should state clearly why the candidate believes that the grade should be re-evaluated.

Where written course work is to be re-appraised, only original work submitted and marked by the instructor shall be accepted. It is the responsibility of each candidate to retain this work and make it available if needed. Candidates should be aware that, in this process of blind review, the grade could be raised or lowered by the course director, Associate Dean or Petitions Committee. For more information on grade reappraisals, visit www.yfs.ca/faculty-of-education.

Deferred Standing Agreements

Deferred standing may be granted to candidates who are unable to submit their outstanding course work on the last day of classes. To apply for deferred standing, students must reach an agreement directly with the course director for an extension to the course work deadline.

Any incomplete assignments or unmet practicum placement requirements will affect your eligibility to continue in the B.Ed. program unless final grades are reported prior to the start of the next academic session. For example, a teacher candidate cannot complete practicum requirements or coursework for the previous year and start a new academic session at the same time. For more information on Deferred Standing Agreements, please visit <http://myacademicrecord.students.yorku.ca/deferred-standing>.

Academic Honesty

Academic honesty is of the utmost importance in any learning endeavor. The university has designed an [Academic Integrity Module](http://www.yorku.ca/secretariat/policies/policies/academic-honesty-senate-policy-on/) to guide you as you complete your various course requirements. You should also visit <https://www.yorku.ca/secretariat/policies/policies/academic-honesty-senate-policy-on/> to familiarize yourself with the Senate Policies and Regulations on Academic Honesty.

Petitions

The complete petitions process for the Faculty of Education (at minimum, petition form and letter) is available at <https://www.yorku.ca/edu/students/undergraduate-programs/academic-petitions-and-grade-reappraisal/> and must be submitted online.

Online Course Evaluations

Students enrolled in university courses in the F, FW, W, WA, WB and Y terms will be asked to submit course evaluations via the web. Online evaluations are environmentally friendly and confidential. All students are encouraged to complete these important online evaluations.

Student Financial Services

Ontario Student Assistance Program

To be eligible for OSAP, a minimum of 9.00 credits per term is required. Teacher candidates who take more summer courses to lighten their loads in the fall/winter session may fall below the 9.00 credit minimum. For detailed information about your student financial account and any relevant fees, please visit the Student Financial Services website at sfs.yorku.ca.

Other Awards and Bursaries

Faculty of Education Awards and Bursaries are available to assist students in meeting the costs of their university education. Academic excellence and financial need are the primary criteria for an award. Bursaries are made based on financial need. For more details on each award and the deadlines, visit sfs.yorku.ca/scholarships/. **Please note that to be considered for any York University award or bursary, students must first complete a Student Financial Profile at sfs.yorku.ca/aid/sfp/.** Please remember to complete the Faculty of Education additional information form for the specific award or bursary.

Status Confirmation Letter

Do you need a letter to confirm that you are registered at York? In most cases, these letters can be accessed from <https://registrar.yorku.ca/program/letters>.

If the name that appears is not the correct full legal name, instructions are given on how a formal name change request (including documentation) can be submitted directly to the Registrar's Office, no later than May 1st.
