M. A. (Health) Faculty of Graduate Studies York University

Proposal Submission Form

Student:

ID #:

Tentative Title of Research Proposal:

The Graduate Program's Ethics Review Committee confirms that the above stated proposal:

- does not involve human participants and hence does not require an ethics approval.
- involves human participants (non-funded and at minimal risk) and is given an ethics approval.
- involves human participants (non-funded and at minimal risk) but is NOT given an ethics approval.
- involves human participants (funded or not minimal risk). The above stated student is, therefore, required to follow an alternate ethics approval process to be carried by the Human Participants Review Sub-Committee (HRPC) through the Office of Research Ethics (ORE), 5th Floor of York Research Tower. MRP Supervisor is required to first contact the Chair of the Health Graduate Program Ethics Review Committee to establish and follow through the approval process.
