How to Navigate the Student Portal

The Student Portal is accessible to students after successful log in with Passport York.

The Student Portal provides an overview of all available Award, Student Government Aid, and Graduate Funding Profile information. After successful log in, students are directed to the landing page.

Students are asked to complete their student profile (and update it, if there are any changes), the portal will use the information provided in the profile to determine eligible funding opportunities, evaluate their financial need and assess residency. The profile will also have some information prepopulated on the student's behalf.

Students can complete all tabs, the information provided on each tab will be used to assess eligibility for different opportunities. The needs assessment will be calculated based on the information in the "finances" section of the student profile. Students will have the ability to make changes and update the profile as they see fit. In cases where there is a financial need, applicants can complete a financial needs assessment for each program they are either applying for or are already enrolled in.

Funding Opportunities provides access to the types of awards that you can access through the portal.

2 In Progress Applications	✓ 0 Under Review Applications	0 Pending Acceptance	O Pending Action Items
0 Offered Awards	Q Conditionally Offered Awards	O Declined Awards	50 Historical Applications

Applications will show "in progress" if the application is incomplete. Some applications will ask for referees to provide support or ask additional questions. Student can open their "**in progress**" applications, click on the application that they need to complete and submit the required information. Once the application is complete it will move to the next step in the application workflow.

Complete and submitted applications can be found in the "**under review applications**" tile. If the application needs to be reviewed by a committee or an adjudicator, it will remain under review until it is determined if they have been successful or not. The other tiles such as **"pending acceptance", "pending action items", "offered"** and **"conditionally offered awards**" are dependent on the student's response.
