

Geography

PhD

One of Canada's leading programs in Geography offers students the chance to explore multiple ways of knowing the world based on social sciences, humanities and physical-biological sciences. The spirit of sustainability and social justice animates the research work conducted by our community of exceptional students and faculty. Nearly all of our graduate students are engaged in fieldwork.

Details of Degree

- 4 years

Program Highlights

- Our Faculty members are leading scholars in migration and settlement, urban geography, political economy and political ecology, feminist geography, and the physical geography of northern and extreme environments.
- We are the fifth-largest Geography program in Canada.
- Our flexible cross-discipline programming, innovative course design, and diverse experiential learning provides students with an amazing variety of academic opportunities where learning and debate are not only valued; they are encouraged.
