

Public and International Affairs

Master of Public and International Affairs (MPIA)

Housed in Canada's first bilingual School of Public and International Affairs, the two-year Master's offers high level bilingual preparation for leadership roles in public life. The program focuses on analyzing the key challenges in Canadian public life, placing Canadian public institutions in a global setting and applying the core knowledge and tools of public management and policy. Courses draw from many disciplines and areas, including Canadian studies, economics, history, international studies, law, philosophy, political science, sociology and women's studies
