

Law

Master of Law (LLM)

Osgoode's graduate programs encourage rigorous investigation and innovative thinking while challenging students to attain the highest standards of excellence in legal scholarship. Our degree programs are known for the breadth and depth of their constantly evolving course offerings, and for their creative, often ground-breaking approaches to the study of law. We welcome and support talented students from a diverse range of fields as they explore vitally important avenues of inquiry.

Details of Degree

- 3-4 terms
- Major Research Project or Thesis

Program Highlights

LLM students must participate in one study group. They can choose among five options, depending on their research interests:

- Regulation and Governance
- Law and Economic Relations
- Theoretical Perspectives in Legal Research
- Law and Social Justice
- Law in a Global Context
