## Information Sessions: Master of Public Policy, Administration and Law (MPPAL)

Come and join MPPAL Graduate Program Director Prof. Ian Stedman to learn more about the MPPAL program at one of our upcoming information sessions. The MPPAL program is primarily a part-time program designed to provide entry level to mid-career professionals in the broader public service with the skills needed for effective public administration and public policy analysis, with an emphasis on law, social justice, program evaluation, leadership and public sector management.

**Register for our upcoming Fall 2024 Information Session below:**

**Keele Campus, York University:**  
[Saturday, November 30, 2024 at 1:00 pm](#)

To register, please use the link on the date above.

To learn more about MPPAL, please visit:  
<https://www.yorku.ca/gradstudies/ppal/>

**The MPPAL program application  
deadline is January 15, 2025.**

## Coming to MPPAL Fall 2025.... The Ian Greene & Eilonwy Morgan Award!

“I was privileged to be involved in the development of the [Master of Public Policy, Administration, and Law \(MPPAL\) program](#) in the mid-2000s, along with Ian Macdonald and Tom Klassen. My wife Eilonwy Morgan is a Chartered Accountant and, along with a number of public servants, provided useful advice about the curriculum related to public finance.

When Eilonwy and I subdivided our mountain property in British Columbia in 2022, we decided to donate the proceeds to a scholarship for **MPPAL students**. The MPPAL program has been successful beyond expectations. We know there are current and prospective students who need support. We hope our award will help.”

### SPPA is Grateful to the Morgan-Greene Family!

Back row: Ian and son Philip. Front row: daughter Christina, Eilonwy, and son Girum.

Stay tuned for more Award details. [#MPPALproud](#)

## Application for Pathy Foundation Fellowship now open!

### What would you do in your community with \$50,000?

For more information and how to apply, please visit the [Pathy Foundation Fellowship](https://www.PathyFellowship.com) website.

## Hockey Conference 2025

### Conference Theme: In the Echoes of Reckonings

Hockey continues to experience reckonings as people question its deeper purpose, probing how we might individually and collectively confront its history of misogyny, violence, racism, homophobia, classism, and ableism, as well as our own entanglements within this culture. These challenges have emerged through academic scholarship, investigative journalism, player activism, coaching practices, and policy changes, inspiring this conference to cultivate new understandings of the game.

**Location:** The Fort Garry Hotel in Winnipeg, Manitoba

**Date:** June 17-19, 2025.

THE HOCKEY CONFERENCE  
JUNE 17–19, 2025  
WINNIPEG, MANITOBA

THE FORT GARRY HOTEL  
#THEHOCKEYCONFERENCE2025

### Submission Details:

Visit [www.thehockeyconference2025.ca](http://www.thehockeyconference2025.ca) and submit your one paragraph abstract. Abstract submissions are due **November 30th**, but if you miss this date give us a shout and tell us about your presentation ideas.

Please feel free to share this call for abstracts with any relevant departments, researchers, or students within your network.

Feel free to connect with us on Instagram [@thehockeyconf](https://www.instagram.com/thehockeyconf)

## **Manager, Government Relations, Ontario - Insurance Bureau of Canada**

IBC is looking for an energetic individual who “gets it” when it comes to government, community and stakeholder relationships and related communications. In this dynamic role, you will exercise your ability to support the development and implementation of government relations strategies. You are well versed in public policy development and can take an issue, research it, and develop a thorough and accurate briefing note within a tight timeframe. You have an understanding of Ontario politics and government, and the ability to cultivate key contacts in relevant government ministries and with external stakeholder organizations across Ontario. Your attention to detail will shine as you support the VP, Ontario & Atlantic, with the preparation of reports, strategies, and internal and external communications. A keen eye for detail and an ability to introduce process into the work of a fast-paced team environment will allow you to thrive in the role.

## **Public Affairs Specialist — Fidelity Investments**

Reporting to the Director, Corporate Affairs, the Public Affairs Specialist is responsible for supporting public policy, media relations and communications programs. The role is part of Fidelity Canada’s larger Corporate Affairs team, which includes internal and external communications, digital media, social media, employee and community affairs and market research groups. The team’s mandate is to protect and promote the reputation of Fidelity Canada and to advance the organization’s mission through best-in-class communications, informed by research and data and with a continuous improvement mindset.

## **Manager, Policy and Reporting — Canada Infrastructure Bank**

The Manager, Policy and Reporting, owns the day-to-day relationship with federal counterparts to support this important relationship, advance CIB priorities, manage issues and develop plans and reports. This role is a strategy function working in close coordination with colleagues across the CIB in investments, finance, risk, communications and asset management. The individual in this role requires tact and judgment to manage a dynamic relationship, a solid understanding of public sector planning and reporting frameworks, the ability to lead in a matrix environment, strong project management skills, and the capacity to communicate effectively through writing, presentations and verbal briefings.

## **Manager Event – The Institute of Public Administration of Canada**

The Institute of Public Administration (IPAC) is a dynamic organization, which is known for excellence in research, publications, conferences, knowledge networks and as a source of public administration and public policy expertise in Canada and around the world. IPAC’s members include public decision-makers from across Canada, academics, students, and organizations interested in public administration. IPAC is an equal opportunity employer and is currently seeking a bilingual, dynamic individual to take on the role of Event Manager. The Event Manager contributes to the overall success of the organization by performing a range of duties in an enthusiastic, results oriented manner. Reporting to the CEO, the Event Manager works cooperatively with the IPAC team and its Regional Groups and is responsible for the Institute’s events, which include two annual conferences and various workshops.

## **Research Associate, Indigenous Research — Canadian Climate Institute**

Reporting to the Director, Indigenous Research, the Research Associate will support the Director in conducting quantitative and qualitative research; contributing to project research methodologies – including those based on best practices in Indigenous research that are relevant and aligned to First Nations, Inuit, and Métis culture and traditions; and helping expand the Institute’s Indigenous networks, partnerships, and collaborations with Indigenous communities and organizations that will support Climate Institute’s research agenda.

## [Guidewire Policy Center Developer – AstraNorth](#)

Minimum 3+ years experience in Configuration/integration and Guidewire Implementations in Policy Center. 5+ years of experience in Java/J2ee (EJB, Servlets, JSP, JDBC, Web Services, JMS, JPA). Able to configure/Integrate the applications using XML and GOSU. Insurance Knowledge specifically Personal Lines Claims and Commercial Claims. Relational Database and Data Modeling experience

## [Associate or Full Professor, Endowed Research Chair in Anti-Racism and Health Equity – University of Toronto](#)

The Temerty Faculty of Medicine at the University of Toronto and Unity Health Toronto – St. Michael’s Hospital are seeking applications for the BMO Chair in Anti-Racism and Health Equity at the St. Michael’s Hospital site of Unity Health Toronto. The successful candidate must be eligible to hold a Scientist research appointment at Unity Health Toronto, and be eligible to hold an Associate or Full Professor academic appointment at the University of Toronto. This Chair is a five-year term, with the opportunity to renew once, provided funding is available. The tentative start date of this appointment is April 1, 2025 (negotiable).

## [Due Diligence, Risk, and Compliance Researcher \(Arabic\) - Exiger](#)

Exiger Diligence is excited to welcome to its team experienced due diligence, compliance, and risk research professionals. We are searching for talented research professionals who know this industry and are passionate about research. We are also pleased to be expanding the geographic reach of our team by seeking professionals based across Canada who are interested in working in a fully remote capacity. Due Diligence, Risk, and Compliance Researchers are creative and inquisitive. They seek to provide thorough and accurate information to the client in every report they complete. Researchers work both independently and collaboratively on research and reports for a variety of domestic and international clients.

## [Director, ESG Research, Risk Product Lead - Morningstar](#)

We are seeking a Product Leader to oversee product management for our ESG Risk/Impact products. This includes the ESG Risk Rating, Country Risk Rating, Sub-Sovereign (Muni) Risk Rating ESG Risk Smart Score products and Impact Metrics/Objectives. The ideal candidate will have demonstrated product management expertise, an understanding of ESG from a financial materiality perspective and a deep commitment to Sustainability. This position can be based in Amsterdam, London, Toronto, Chicago or Frankfurt. We follow a hybrid policy of 3 days onsite and 2 days remote work.

## [Director, RESET Alcohol Canada Policy Initiative – Vital Strategies](#)

The Director will report to the global RESET Alcohol Director and will have technical and administrative support from various departments across Vital Strategies. In the role, the Director will develop effective relationships with key government leaders, administrators, and political leaders to advance the implementation of public health-oriented alcohol policies, conduct a review and analysis of the alcohol policy landscape, build a national coalition of relevant civil society and government actors that work on issues related to alcohol policy, and more. This is a remote role.

## [Compliance Officer - CI Financial](#)

We are currently seeking a Compliance Officer to join our Compliance team. In this role, the successful candidate is expected to assist in the regulatory Compliance program for the Investment Fund Manager and Exempt Market Dealer. In particular, 81-105 sales practices and 81-102 sales communication and marketing and communications. Provide a range of compliance support services to sales, marketing, institutional business and back-office operations.

## [Senior Guidewire Developer, Policy Center - Definity Financial Corporation](#)

Definity is the parent company to some of Canada's most long-standing and innovative insurance brands, including Economical Insurance, Sonnet Insurance, Family Insurance Solutions, and Petline Insurance. Our ambition is to be one of Canada's leading and most innovative property and casualty insurers. We can't do that without our people, so we embrace and encourage a culture that's collaborative, ambitious, rewarding, and empowering. We offer a flexible, hybrid work experience where employees work from the office and virtually depending on the type of work they are doing and who they are working with. Bring your true self and be a part of our journey. It's better here.

## [Coordinator, Regulatory Affairs - Cencora](#)

Our team members are at the heart of everything we do. At Cencora, we are united in our responsibility to create healthier futures, and every person here is essential to us being able to deliver on that purpose. If you want to make a difference at the center of health, come join our innovative company and help us improve the lives of people and animals everywhere. Apply today!

## [Academic Research Assistant \(Mathematics\) - Outlier](#)

Outlier helps the world's most innovative companies improve their AI models by providing human feedback. Are you an experienced Math Expert who would like to lend your expertise to train AI models? About the opportunity: (1) Outlier is looking for talented Math Experts to help train generative artificial intelligence models, (2) This freelance opportunity is remote and hours are flexible, so you can work whenever is best for you.

## [Senior Manager, Compliance - Purpose Unlimited](#)

Purpose Unlimited is an independent financial services company with an unrelenting focus on customer-centric innovation, delivered through technology-driven solutions. Led by entrepreneur Som Seif, the company is developing a diversified product platform aimed at addressing historically underserved segments of the market. Purpose Unlimited's businesses include Purpose Investments, Advisor Solutions by Purpose, and Driven. Advisor Solutions by Purpose, a subsidiary of Purpose Unlimited, is an innovative financial technology firm providing modern client and practice management technology and services for independent portfolio management and financial advisory businesses in Canada. Recognized by Wealth Professional Magazine as 2023 Wealth Tech Service Provider of the Year and one of Canada's Top 2023 Small and Medium Employers, Advisor Solutions by Purpose's end-to-end solution simplifies the advisor practice and makes it easier for clients to access better services to achieve their financial goals.

## [Senior Policy Analyst, Centre on Financial and Monetary Policy - C.D. Howe Institute](#)

The Senior Policy Analyst will be responsible for: authoring and coordinating key Institute projects, which you will identify and bring to the research team and Project Approval Committee for approval; supporting key Centre projects, as will be identified by the Director of the Centre, through research and drafting of reports, in collaboration with other Institute research staff, and within the timelines identified for the projects; leading the Institute's Financial Services Research Initiative (FSRI), ensuring output targets are met, maintaining strong relationships with FSRI co-chairs, and being responsive to requests from FSRI members; and contributing to the Institute's publication process by commenting on papers and paper prospectuses that circulate internally.

## **President, Public Affairs — Earncliffe Strategies**

Reporting to the CEO, the Public Affairs President is a member of the organization's Leadership Team. Earncliffe's Public Affairs service line constitutes its public policy, and government relations and communications practices. The Public Affairs President is ultimately accountable for leading the service line, including determining its strategic direction within the context of, and in support of, the broader enterprise strategy. The Public Affairs President is accountable for delivering their service line's operational objectives and achieving the targeted revenue and profit.

## **Health Policy and Partnerships Manager — GreenShield**

As a central member of the Enterprise Clinical Office leadership team, the Health Policy and Partnerships Manager will actively contribute to shaping and managing GreenShield's health policy and health sector partnerships across the country to ensure that their strategies, programs, products and services are aligned to and understood by health systems, health sector stakeholder organizations, and government partners to deliver truly integrated care to advance Health for All.

## **Director, Policy & Regulatory Affairs — Federation of Rental-housing Providers of Ontario (FRPO)**

FRPO is seeking a strategic and experienced Director of Policy & Regulatory Affairs to join the team. The incumbent is responsible for overseeing regulatory compliance, shaping policy initiatives, and advocating on behalf of the organization's interests. The Director will Monitor and respond to emerging government legislation, regulations and by-laws affecting the rental-housing sector on a timely basis. They will also develop and formulate position papers, briefs, and responses to government consultations; develop policy/program proposals that support and advance FRPO's positions; and identify, analyze and track legislative and regulatory issues.

## **Senior Advisor, Development — Infrastructure Ontario**

The Senior Advisor will work closely with a Director and the Vice President of Landmark Projects to influence, coordinate, and manage the delivery of complex real estate and development projects on behalf of the government. They will also collaborate as part of a larger multi-disciplinary team to provide support to the Ontario Place Redevelopment and Ontario Science Centre Relocation projects as well as other new mandates; and identify and assess business development opportunities that will grow Landmark Projects' mandate and maximize public impact and benefit.

## **Director, Federal Affairs — The Council of Canadian Innovators**

CCI's Director of Federal Affairs will be expected to connect regularly with members of the Parliamentary Press Gallery, at times acting as the official CCI spokesperson on certain topics and providing on-record statements to media communicating CCI's position. This work will also include monitoring and participating in the parliamentary committee process, this includes presenting at committee meetings on issues related to CCI's advocacy. The Director will support the work of the Vice President, Strategy and Advocacy, and work closely with the President and Vice President, Corporate and Public Affairs, to deliver on CCI's Mission and Vision.

## **Senior Director of Strategy and Operations — The Canadian Centre To End Human Trafficking**

Reporting to the Executive Director, the Senior Director of Strategy and Operations is a key leadership position that will play a vital role in actualizing The Centre's vision, mission and goals. This role will involve oversight and responsibility for all operational aspects of The Centre, including leading the hotline operations, managing technology and systems, finance and human resources, and supporting stakeholder relationships. The successful candidate will play a critical role in strategic decision-making on the senior leadership team as they grow their impact and capacity.

## **Languages Commissioner - The Legislative Assembly of Nunavut, Iqaluit**

Applications are invited for the position of Languages Commissioner of Nunavut. This is a five-year, full-time statutory appointment. The Languages Commissioner is an Independent Officer of the Legislative Assembly. The office-holder is appointed on the recommendation of the Legislative Assembly, pursuant to the Official Languages Act. The position exercises a range of powers and responsibilities under the Official Languages Act and the Inuit Language Protection Act. Copies of the statutes are available at: [www.nunavutlegislation.ca](http://www.nunavutlegislation.ca). The successful candidate will be an experienced senior manager who has a strong knowledge of official languages legislation, including national trends in the field of language rights. Professional experience must also include proven success in the areas of financial and human resources management. Candidates must be fluent in the Inuit Language and at least one other of Nunavut's official languages. This appointment is restricted to Nunavut Inuit.

## **Research Coordinator, Krembil Centre for Neuroinformatics - Centre for Addiction and Mental Health**

The Krembil Centre for Neuroinformatics at the Centre for Addiction and Mental Health is seeking a seasoned, fulltime, contract (1 year) Research Coordinator to join its team. The incumbent will report to the Research Manager and join a very productive and dynamic team. The Research Coordinator will assist the Research Manager and Program Officer in coordinating support to the research team, acting as a support for both clinical and non-clinical research and supporting the key accountabilities listed below. This position will also be responsible for providing core administrative research support as required, as well as liaising with other internal CAMH departments to ensure consistency with CAMH administrative processes and requirements. You will support a workplace that embraces diversity, encourages teamwork and complies with all applicable and regulatory requirements. This position is located at 250 College Street.

## **Operations & Compliance Specialist - Summit Search Group**

We are seeking a highly motivated Operations Coordinator to join our client-growing team. This individual will play a key role in aligning departmental goals, and the organization's strategic priorities, supporting operational excellence, and driving new initiatives. Reporting to the Compliance & Operations Director, the Operations Coordinator will support the development, execution, and continuous improvement of operational programs that align with cost-efficiency, regulatory compliance, and safety objectives. The position requires collaboration across teams to optimize processes, maintain high standards, and uphold safety and compliance throughout all operations.

## **Coordinator, Regulatory Affairs (6 Month Contract) - Cencora**

Our team members are at the heart of everything we do. At Cencora, we are united in our responsibility to create healthier futures, and every person here is essential to us being able to deliver on that purpose. If you want to make a difference at the center of health, come join our innovative company and help us improve the lives of people and animals everywhere. Apply today!

## **[Planning Officer and Advisor – Government of Canada](#)**

The results of this process may be used to staff future positions, in various CNSC locations, with similar qualifications and various tenures including term, acting, assignment and indeterminate. Who can apply? Persons legally eligible to work in Canada. The CNSC recognizes the many benefits of providing staff with more flexible work practices and providing employees with more choice about where they do their work. The CNSC enables employees to manage their work as part of their life while fostering a culture of inclusion, health and wellbeing and delivering high quality regulatory outcomes for Canadians. Dependent on operational requirements and the duties of the position, CNSC employees can work fully in the office, fully from a telework location or some mix in between the in-office and a telework location within Canada.

## **[Research Assistant 2, Institute for Mental Health Policy Research - Centre for Addiction and Mental Health](#)**

The Institute for Mental Health Policy Research (IMHPR) at the Centre for Addiction and Mental Health (CAMH) is currently seeking a full-time, contract (1 year) Research Assistant 2. Reporting to the Research Manager and Principal Investigator, the Research Assistant 2 will work on research projects focused on promoting access to brief, evidence-based psychological treatments and related large grant applications (e.g. PCORI, Wellcome, GCC). This includes the large, multi-site trial referred to as the Scaling Up Maternal Mental healthcare by Increasing access to Treatment (SUMMIT) Trial, funded by PCORI. The aim of the trial is to examine scalable models to improve evidence-based psychological treatments for perinatal depression and anxiety.

## **[Director Compliance & Ethics, Local Canada Compliance Officer - Teva Pharmaceuticals](#)**

The Director, Local Canada Compliance Officer is responsible for developing and executing Teva's Global Compliance & Ethics ("GC&E") Program in the Canadian commercial (TCI & TCL) and operation (TGO) entities. The LCO will report to the VP, IM Regional Compliance Officer (RCO). The position will serve as a business partner and compliance advisor to the Teva Canada GM and will lead, drive, and manage all aspects of Teva's global compliance program. This position will serve as a critical and valued member of the Teva Canada commercial leadership team and in the IM Regional Compliance Leadership Team. The cluster compliance officer might be requested to lead projects at the regional level under the RCO. The individual will maintain appropriate independence and objectivity to provide an assessment of potential risks faced by the organization and will need to partner with key stakeholders to provide business-oriented and pragmatic guidance that enables the company to achieve its goals in a compliant and ethical manner. Additionally, the role requires extensive collaboration and teamwork with appropriate legal, GC&E, HR, Global Internal Audit (GIA) and Canada commercial and TGO entity's leadership personnel.

## **[Account Coordinator, Public Affairs & Government Relations - Proof Strategies](#)**

## [Senior Policy Advisor — Ontario Ministry of Health](#)

The Senior Policy Advisor will: play a key role in advancing innovative strategic health policies through policy research, analysis, development and evaluation on a broad range of health and health system issues; develop, build and maintain partnerships and linkages with internal and external stakeholders with an emphasis on Indigenous communities and health service providers; provide leadership to project teams on concurrent policy development projects; and prepare a variety of correspondence and presentations for senior management.

## [Manager, Government Affairs and Public Policy — Google](#)

As a member of Google's Government Affairs and Public Policy team, the Manager will be part of a diverse global government affairs team, working across regions, product areas, and functions. The Manager will combine creativity and intellectual excellence with the organizational skills to manage various campaigns, projects and initiatives. In this role, the Manager will advocate for Google to bring external perspectives back into the company to inform our perception and direction.

## **Chief Operating Officer - Office of the Auditor General of Ontario**

The Office of the Auditor General of Ontario is an independent, non-partisan Office of the Legislative Assembly. Serving the Members of Provincial Parliament and the people of Ontario, the Office of the Auditor General of Ontario plays a crucial role in ensuring accountability and transparency in the province's financial management and government operations. The Chief Operating Officer (COO) will report to the Auditor General of Ontario and will be a member of the Executive Team. This newly created position involves providing strategic vision and leadership across the organization. The COO will oversee the functions of the Corporate Services Division, which includes Information Management and Information Technology, Risk Control, Facilities, Finance, Procurement, Human Resources, Organizational Effectiveness, and Communications.

## **Program Manager, Policy Research — Centre for International Governance Innovation (CIGI)**

As part of the Program Management team, the Program Manager is involved in the management and coordination of CIGI's research programs and the continual improvement of CIGI's program management tools and processes. The Program Manager will work closely with Research Directors and program leads on program design, development, and execution. They will support research program design; liaise with partners, fellows, and internal teams to manage the execution of program activities; prepare proposals, funding applications, and donor reporting; and more.

## **Director, Communications & Public Affairs — Centre for International Governance Innovation (CIGI)**

Reporting to the President of CIGI, the Director, Communications & Public Affairs is a member of the Senior Management Team and oversees the strategy and implementation of CIGI's outreach and impact activities that promote CIGI's research and strengthen its brand and reputation internationally. As such, the Director is responsible for the development and execution of CIGI's communications, media, and publications process, and contributes to government relations strategies. This position directly leads the teams responsible for media relations, social media, editorial content, and event execution. This position works closely with the Research Directors and Program Managers to manage the research outputs and event requirements.

## **Associate Director — Centre of Excellence on the Canadian Federation — Institute for Research on Public Policy (IRPP)**

Reporting to the Executive Director of the Centre, the Associate Director collaborates with IRPP staff and external partners to produce high quality, rigorous, relevant research and mobilize knowledge to inform public debate and government policy decisions. The Associate Director will be responsible for developing research initiatives; recruiting authors for research publications; ensuring publications meet the IRPP's high standards for quality and relevance; leading the publication process; and more. The role is based in Montreal but "remote work arrangements are negotiable."

## **Senior Manager, Education, Advocacy & Communications — Prisoners HIV/AIDS Support Action Network (PASAN)**

This role is a great opportunity for a collaborative, strategic thinker and excellent communicator, who is passionate about prison health & justice issues. The Senior Manager will support the 6 staff who provide prison-based sexual health programming, system navigation, advocacy, and linkage to care support for incarcerated people living with and affected by HIV and Hep C and people who use drugs. The Senior Manager will work with the PASAN team to identify and advance PASAN's advocacy priorities. The Senior Manager will use their ability to develop to support PASAN's overall education, advocacy & policy change work. This position reports to the Executive Director.

## **Writer — Green Party of Ontario**

The Green Party of Ontario (GPO) is hiring for a full-time writer to support communications and fundraising initiatives. This position will report to the Director of Communications. They are looking for a skilled writer to support a range of written material. Hours of work may include evenings and weekends – flexibility is required, in particular during the election campaign period. The incumbent will write copy for a range of external-facing audiences, including, but not limited to: fundraising material, social media and ad content, media-facing content, website, and candidate materials.

## **Senior Public Affairs Advisor — OPtrust**

The Senior Public Affairs Advisor is responsible for managing OPtrust’s organizational reputation to external audiences, including media, stakeholders, Sponsors, and policy makers. The individual will develop and administer OPtrust’s advocacy strategy and reputation management goals, as well as lead outreach and strategic growth initiatives, including plan expansion for OPtrust Select.

## **Financial Policy Analyst — Ontario Ministry of Long-Term Care**

The Financial Policies and Procedures Unit in the Ministry’s Operations Division is looking for a skilled professional to provide policy analysis and expertise to the unit in the development, implementation, management and evaluation of financial management policies and procedures of the ministry’s strategic plan. The Analyst will provide policy research, analysis and support in the conceptualization, development and evaluation of innovative and strategic financial, funding and fiscal policies, best practices and performance standards related to Ontario’s health system, specifically, the Long-Term Care System.
