

Your Academic Honesty Checklist

Ask Your Instructor

Ask if, when, and how you can use generative AI in each class. If in doubt, do not use it.

Check Course Outlines and Assignment Descriptions

Consult course outlines and assignment descriptions for Academic Honesty policies.

Plan Ahead

Note deadlines in your calendar, start your work early, seek support and ask for extensions in advance.

Get Informed

Read the Senate Policy on Academic Honesty and check out available workshops and resources.

Practice Respect For and Trust in Yourself and Others

Always submit work in your own words and cite the work of others.
