# INTERNATIONAL CENTRE FOR FRENCH STUDIES

**The International Centre for French Studies - CIEF of the University Lumière Lyon 2 welcomes more than a thousand students every year, from some sixty countries, who wish to learn French - for fun, for their studies or for work.**

The CIEF is a member of the network of university centres teaching French (ADCUEFE) and obtained the prestigious **Qualité FLE Label** in 2022. It is issued by the Ministry of Higher Education, Research and Innovation, which guarantees the quality of the teaching, the welcoming and the programs.

CIEF students can benefit all the services offered by the University Lumière Lyon 2. Thanks to the location of the CIEF on the historical Berges du Rhône campus, students can fully experience the dynamic European metropolis of Lyon, located only 2 hours away from the Alps, the Mediterranean Sea and Paris.

CIEF courses are open to non-French speakers, aged 16 or above (at the start of the course or semester).

CIEF diplomas are based on the Common European Framework of Reference for Languages (CEFRL) of the Council of Europe.
