Approval Authority	Local Business Unit	Procurement Services			
Mandatory Minimum Tender Posting Period		Fifteen (15) Calendar Days			Twenty-Five (25) Calendar Days

Notes:

- i. CFTA Value will be adjusted every two years to inflation.
- ii. CETA dollar thresholds are subject to change.
- iii. To comply with the BPS Procurement Directive, **construction** will be publicly tendered at the **\$100,000** threshold, unless a specific VOR or roster has been put in place.

Procurement Services will continue to assess and communicate any further updates to the University’s procurement policy, procedures and processes as applicable. We expect the impact of these changes to be minimal to the York community.
