

# Call for Applications Community-Engaged Research Funding

**Deadline: Monday, 3 July 2023**

The Philippine Studies Group (PSG) at York University is offering community-engaged research awards for community groups and organizations with research projects that advance the PSG's mission statement to support community-informed and community-led research projects that "address the cultural, material and socio-political needs of Filipino communities in Canada and in the Philippines."

Grants will usually be up to C\$5,000 but the PSG will consider larger projects if their scope justifies a higher budget and subject to the limits of our available funding.

A one-hour **virtual information session** will be held on Wednesday, 14 June 2023 at noon for interested applicants. Attend at this link:
