Summer!

We hope you are able to take some time for yourself, relax, enjoy the warm, sunny weather, and continue your studies, research, and work in your favourite summer places. If you are seeking to engage in some teaching professional development, a friendly reminder that we have [asynchronous online modules](#) available for you to complete any time, and scheduled sessions. Read below for more information.

Caring to Teach: Supporting Student Transitions between Teaching and Learning Environments (July 12 – August 16)

This course will focus on caring teaching practices to help students make a successful transition between online and face-to-face teaching and learning environments, through applications of pedagogies of care and kindness.

This course can count toward the [Certificate of Proficiency in Teaching for eLearning](#).

To learn more about the course and to register, please visit our [registration form](#). Please note that **registration closes July 8, 2024**.

Teaching Dossier Circle

A teaching dossier is a reflective document that evidences your beliefs and values of teaching and learning, your teaching experience and effectiveness. The Teaching Dossier Circle is an opportunity for you to connect with peers to generate ideas for your teaching dossier, seek feedback, or have dedicated time to work on sections of your teaching dossier.
