

COMPENDIUM – AGING POLICY AND HEALTHY AGING PROMOTION

York University Centre for Aging Research and
Education (YU-CARE)

The research produced by YU-CARE members and associates with regards to aging policy and healthy aging promotion are impactful at the individual, organizational, and societal levels. Research spans from topics including:

Employment, retirement & aging 2

Sports & leisure programs for healthy aging 4

Long-term care policies and regulations for older persons 6

*Authors shown in bold indicate a YU-CARE committee or associate member.
