

COMPENDIUM – CARE WORK, PRACTICES, AND DELIVERY

The research produced by YU-CARE members and associates* along the theme of care practices, care work, and care delivery are impactful at the individual, organizational, and societal levels. Research spans from topics including:

Care work policies & their impact.....	2
Labour, gender, and precarity.....	7
Care delivery	10

*Authors shown in bold indicate a YU-CARE committee or associate member.
